

# collision repair instructors network

Involve me,  
and I will learn

Since 1992 **CRIN**

The Collision Repair Instructors Network (CRIN) is sponsored by the I-CAR Education Foundation and is an international organization designed to facilitate the exchange of technical and professional information among collision repair **instructors**, school administrators, and industry partners. CRIN has been in operation since 1992 and it enables members to stay up to date on the newest technology and teaching techniques.

One of the best benefits CRIN offers is the opportunity for instructor's to **network** with their peers and gain access to additional parts, props, equipment, and supplies that they would normally be unaware of. It is the sharing of information and products that allows CRIN members to succeed in the classroom.

## additional Benefits

- Attend meetings at NACE and SkillsUSA-VICA
- Complimentary **memberships** and **subscriptions** to associations and publications
- Hear nationally known **speakers** representing all segments of the collision and education industries
- Participate in **skill enhancing** seminars and workshops related to collision repair
- Ensure your **voice is heard** by making suggestions and comments regarding the I-CAR Education Foundation's products and services
- Opportunity to **network** with your peers at national and regional meetings
- Eligible for vehicle and product **donations**
- Eligible for **recognition** as instructor of the year award

strategies

# Objectives

---

**Emphasize** professional skill development of the membership via local and national programming.

**Provide** continuing education in classroom management, presentation skills and other professional areas, as a means for skill development.

**Increase** focus and extend programs to students encouraging and motivating them toward careers in collision repair.

**Develop** and maintain strong ties with industry partners to garner, retain and expand their support for the purpose of achieving CRIN goals and objectives.
