

# I-CAR<sup>®</sup> Industry Training Alliance<sup>SM</sup> Career And Technical School And College Application

## I-CAR Live (page 1 of 2)

### SCHOOL QUALIFICATION CRITERIA:

- Must have an I-CAR qualified instructor present the programs.
  - The instructor must attend the I-CAR Instructor Qualification Workshop (IQW) (\$400 fee plus attendee pays travel costs) **or** **school** must be ASE-certified to NATEF standards.\*\* The IQW must have been attended after January 1, 2000 to be used for the Industry Training Alliance.
  - The instructor must complete an Instructor Training Evaluation (ITE) for each program that the students want points for. (Please Note: Instructors must successfully complete at least one (1) Instructor Training Evaluation (ITE) before the school will be approved for membership into the Industry Training Alliance.)
- Must utilize I-CAR Live programs and associated materials.
- Must provide **each** student with a copy of the program's student CD-ROM.
- Students can apply for I-CAR points for qualified training that has been completed at an Industry Training Alliance member school. The student can apply for the points at any later date.

To receive I-CAR points, the student must submit the following to I-CAR:

1. An I-CAR application, completed and signed by the instructor for **each** student, indicating which units of instruction have been successfully completed.
2. A copy of the student's school transcript.
3. An administration fee in the amount of \$20 (U.S.) for each I-CAR point awarded.

The student will receive an I-CAR transcript listing each course completed. If a student does not submit the necessary paper work and payment, the application will be returned.

\*\*A Canadian Provincial approved apprenticeship program also satisfies this criteria.

**Please Note:** In order to ensure the Industry Training Alliance is always positioned to achieve its goals, program changes and the rights to award I-CAR points remain the sole responsibility of I-CAR.
